IEEE Pulp And Paper Conference

consideration in the authoring and submission of a technical paper for the IEEE (Institute of Electrical and Electronics Engineers) Pulp, Paper & Forest Industries Committee (PPFIC) This is an annual conference for non commercial presentations of technical paper at the IEEE Pulp, Paper & Forest Industries Committee's Annual Conference The 2019 event will be held in Jacksonville, Florida area.

The Pulp and Paper Technical Operations Committee (PPIC) is a technical committee of the Process Industries Department (PID) of the Industry Applications Society (IAS) of the Institute of Electrical and Electronics Engineers (IEEE) The objective of the Pulp and Paper Technical Committee is To advance the theory and practice in the electrical field as related to the design and management of electrical systems within the pulp and paper industry. Technical papers that cover a wide range of subjects relevant to the Pulp and Paper Industry are presented. This is the premier technical conference for Electrical Professionals supporting Forest Products based industries (Pulp, Paper, Packaging, Board, Tissue, and Building Products) to learn about solutions to real mill needs, network with industry professionals, and learn about the application of electrical technology specific to this industry. A variety of papers will be presented on subjects such as control, power distribution, safety, and maintenance During the breaks, there will be an opportunity to view exhibits from several industry suppliers.
